

Deck Officer Competency Evaluation (DOCE)

The evaluation program aims to assess deck officers' current knowledge, understanding, and skills as bridge watchkeeping officers to determine their readiness for shipboard assignment on their designated tasks.

Evaluation Outcome/s

After the evaluation, participants must be able to:

- Determine deck officers' competency level by identifying their strengths and training needs.
- Recommend training/s to enhance the knowledge, understanding, and skills on the identified area/s that need improvements.

Course Prerequisite & Qualification

Deck Officers
