

Ship Security Awareness Training and Seafarers with Designated Security Duties

Aims to provide the trainees the required standard of competence to contribute to the enhancement of maritime security through heightened awareness, recognition of security threats and how to respond appropriately, enabling them to undertake their assigned duties under the Ship Security Plan (SSP), if any.

Intended Learning Outcome/s

After the training/assessment, the participant/s shall be able to:

- Contribute to the enhancement of maritime security through heightened awareness
- Recognize of security risks and threats
- Define the need for and methods of maintaining security awareness and vigilance
- Adapt the conditions set out in a ship security plan
- Undertake regular security inspections of the ship
- Make use of security equipment and systems properly
